Re: Offer of Employment

Dear Aaron Maldonado

Thank you for your interest in employment with 5 Star Electric LLC. We are pleased that you have accepted the position of Journeyman Lineman. You have been hired to work on a special assignment repairing infrastructure in Puerto Rico, which is expected to be completed within one (1) year. Our goal is to work 12 hours a day and not to work at night. As many of you know and are accustomed to with storms, certain situations may arise that could require longer hours, but will not exceed 16 hours. Although the company will attempt to place you in non-project related work please understand that this is a project-based position and 5 Star cannot guarantee continued employment after the project has concluded. Additionally, this position is "at-will" and we recognize that you retain the option, as does 5 Star, of ending your employment with 5 Star at any time, with or without notice and with or without cause. Finally, your employment relationship with 5 Star Electric LLC will be governed by the OKLAHOMA law.

This letter will serve as written confirmation of our discussions regarding your employment with the Company. This offer of employment is contingent upon the successful completion of all pre-employment requirements including but not limited to background screens, MVRs, and drug screens.

The Company intends to move quickly to fill this position. Below is the framework for the proposed employment offer. Please note that the offer assumes your willingness to relocate to travel to work locations.

Start Date	TBD- The day of your flight down to Puerto Rico
Starting Hourly Rate	\$32.00
Puerto Rico Storm Rate	\$1000.00 per day that will be broken down hourly over 16 hours daily. Hourly \$47.30
Medical/Dental/Vision Insurance	Eligible first of the month following start of employment.
Additional Benefits	401(k) plan ( <del>company contribution currently suspended</del> ); company paid life insurance at two times earnings, short and long term disability – eligible first of month following start of employment

This offer is also contingent upon your representation by signing below that as of your first day of employment you are not subject to a non-compete, non-solicitation or any other type of agreement that would preclude your employment with or impact the performance of your job responsibilities with the Company.

Your employment with the Company is "at will", which means that either you or the Company may terminate your employment relationship at any time, without notice or cause. This offer of employment is not intended to create a contract between you and the Company.

Regards,

Please sign below in the space provide to acknowledge you have read this acknowledgment and agree with its terms. If you have any questions, please contact Human Resources.

Reports set forth Pay Codes using abbreviations, and these are explained in a legend at the end of each Plaintiffs' Time Detail Report.

6. To create the 1006 summary, data from Plaintiffs' Time Details Reports were entered in Microsoft Excel ("Excel"). In Excel, formulas were created using the Pay Codes listed in the Time Detail Reports to make the computations. The 1006 summary compares the number of "DYM" (day rate) entries to all other types of time entries, such as, "Regular," "Overtime," "Standby," "Per Diem," and Holiday Bonus" that were logged for Plaintiffs each day they worked for Defendants up to July 22, 2018. Based on my review of Plaintiffs' Complaint and discovery materials, Plaintiffs do not complain about any alleged violations of the Fair Labor Standards Act after that date.
7. There was a total of 1,291 pay entries for cumulative days worked by Plaintiffs in Puerto Rico up to July 22, 2018:

Row Labels	Count of Pay Code
DYM	36
HOL	1
HSI/PDM	1
PDM	46
Regular	1178
Regular/DYM	8
Regular/HOB	2
Regular/Overtime	8
Regular/Overtime/HOB	1
Regular/PDM	8
STB	2
(blank)	
<b>Grand Total</b>	<b>1291</b>

8. The following demonstrates the computations made in Excel to support the summary. First, I created two columns and named them "DYM" and "Regular." Next the formula was developed to identify all "DYM" only rows using the following: if the Pay Code field is populated with "DYM," then enter a "1," otherwise enter a "0". Next, the same was done, but for the entries labeled "Regular" only. The formula is as follows: if the Pay Code is "Regular," then enter a "1," otherwise, enter a "0" (e.g., =IF(C4="DYM",1,0)).
9. For both the "DYM" and "Regular" entries, a column was added to ascertain the percentage of each. For the "DYM" column, the formula is: the sum of the "DYM" column (36) divided by the sum of all entries (1,291). For the "Regular" column, the formula is: the sum of the "Regular" column (1,178) divided by the sum of all entries (1,291). The percentage of "DYM" entries is 2.79% (36/1,291). The percentage of "Regular" entries is 91.25% (1,178/1,291).

10. Data entries in Excel that are labeled “Regular/DYR” are dual entries on a particular date where a “Regular” and a “DYR” code were entered. These instances reflect when Defendants made bonus payments to employees. I also tabulated the percentage that bonus payments were made as follows: the sum of the “Regular/DYR” entries (8) divided by the sum of all entries (1,291). The percentage of Regular/DYR entries is 0.62% (8/1,291).
11. A graphic of the foregoing is as follows:

Row Labels	Count of Pay Code	% of Total
DYR	36	2.79%
HOL	1	0.08%
HSI/PDM	1	0.08%
PDM	46	3.56%
Regular	1178	91.25%
Regular/DYR	8	0.62%
Regular/HOB	2	0.15%
Regular/Overtime	8	0.62%
Regular/Overtime/HOB	1	0.08%
Regular/PDM	8	0.62%
STB	2	0.15%
Total	1291	100.00%

12. The information herein is an accurate summary of the records referenced by bates number. The records that are summarized have been produced to Plaintiffs and the records are so voluminous that they cannot be conveniently examined by the Court.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury of the laws of the United States that the foregoing is true and correct.

Executed: August 2, 2024

/s/ Jamie L. Houston
